

DeGrease 'It

Product Name: DeGrease 'It

Product Description: Degrease 'It is a concentrated gel formula oven cleaner. The gel formulation helps the product to cling vertically and emulsify the backed and hardened carbon, a result of burnt fats and oil. It is particularly effective in cleaning kitchen canopies in restaurants and banquet hall kitchens.

Toxicity of Material: Contents are eye & skin irritating and can cause harm if taken internally. The contents are expected to biodegrade. However, the product may be harmful to marine life if released in natural waters. Contents are unlikely to corrode any plastic surfaces.

Product Appearance: Clear gel.

Perfume: Mild caustic smell.

Packaging: 4x4 L (1 gal.), 20 L (5.3 gal.), 208 L (55 gal.), 1040 L (275 gal.).

Safety guidelines: Please read safety data sheet (SDS) before use. Follow all safety precautions.

Transportation: Degrease 'It can be shipped in all modes of transportation.

Waste Disposal: Waste disposal should meet all prevailing regulations.

DeGrease 'It

1. To clean stoves, burners and ovens, warm up the surface. Then spray evenly and leave for a few minutes.
2. Rinse surface thoroughly with clean water. For added cleaning power, wipe off gel with a towel or cleaning pad, and then rinse thoroughly with clean water.
3. To clean kitchen canopies use a portable spray bottle. Mix product with water (max 1 to 1 blend) and spray on to the surface. Leave for a few minutes.
4. Rinse surface thoroughly with clean water. For added cleaning power, wipe off solution with a towel or cleaning pad, and then rinse thoroughly with clean water.
5. Splash proof goggles and long rubber gloves should be worn at all times when handling this product.

DeGrease 'It:

Deep penetrating gel cleaner for industrial kitchens and restaurants.
