

Dissolvo Liquid

Product Name: Dissolvo Liquid

Product Description: Dissolvo liquid is a liquid organic waste digester and deodorizer. It is formulated with facultative non-pathogenic bacteria and enzymes to reduce the mass of organic grease, oils and fats. It has application in Grease Traps, Septic Tanks, Lagoons and Holding Tanks. The product cleans the inside of a tank and leaves behind a fresh aroma.

Toxicity of Material: Contents are eye & skin irritating and can cause harm if taken internally. The contents are expected to biodegrade. Contents are unlikely to corrode any plastic surfaces.

Product Appearance: Green liquid.

Perfume: Very mild perfume scent

Packaging: 20 L (5.3 gal.), 208 L (55 gal.).

Safety guidelines: Please read safety data sheet (SDS) before use. Follow all safety precautions.

Transportation: Dissolvo liquid can be shipped in all modes of transportation.

Waste Disposal: Waste disposal should meet all prevailing regulations.

Dissolvo Liquid
