Product Appearance: Clear liquid.

Perfume: Citrus

Packaging: 4x4 L (1 gal.), 20 L (5.3 gal.), 208 L (55 gal.).

Safety guidelines: Product is corrosive. Please read safety data sheet (SDS) before use. Follow all safety precautions.

Transportation: Lime'inator can be shipped in all modes of transportation.

Waste Disposal: Waste disposal should meet all prevailing regulations.

Lime'inator

- 1. Saunas, Swimming Pools, Shower Stalls, etc.:** Use with up to 5 parts water. Spray on surface to be cleaned. Let stand for 5 to 10 minutes. Rinse with plenty of water.
- 2. Tank Trucks and Storage Tanks:** Use one litre of product per 25 litres of hot water. Flush interior of tank and circulate for 20 minutes. Solution may be circulated through several tanks until activity is dissipated. Brush heavy build up to loosen and follow by a thorough rinse of clean water. Remove all pipes, valves, parts and fittings and soak in solution (25 to 1). Brush if necessary and rinse thoroughly with hot water.
- 3. Clarifiers and Separators:** Remove head cap and other accessible parts and soak in a hot solution of 1 litre of product per 25 litres of hot water. Scrub all parts of equipment and flush thoroughly with hot water until rinse water runs clear.

Lime'inator:

Ideal for removing scale and hard water deposits.
