

Spotless

Product Name: Spotless

Product Description: Spotless is a concentrated exterior vehicle wash suitable for school busses, highway coaches, and truck cabs and trailers. It has deep penetrating surfactant and emulsifiers that loosen road soils with minimum agitation. It will not harm any finish of the vehicle exterior. It also will not leave any streaking mark on the surface after the wash. Suitable for both hand and automatic machine wash.

Toxicity of Material: Contents are eye & skin irritating and can cause harm if taken internally. The contents are expected to biodegrade. However, the product may be harmful to marine life if released in natural waters. Contents are unlikely to corrode any plastic surfaces.

Product Appearance: Clear liquid.

Perfume: Mild citrus

Packaging: 208 L (55 gal.), 1040 L (275 gal.).

Safety guidelines: Please read safety data sheet (SDS) before use. Follow all safety precautions.

Transportation: Spotless can be shipped in all modes of transportation.

Waste Disposal: Waste disposal should meet all prevailing regulations.

Spotless

1. Dilute 1 part of Spotless with 20 parts of water and apply to surface to be cleaned.
2. Apply starting at the top of the vehicle and working down to the bottom. Allow for solution to penetrate the soil. However do not allow solution to dry.
3. Rinse all surfaces thoroughly with clean water, starting from the top.
4. For heavy dirt and grime, mix 1 part of Spotless to 10 parts of water and follow instructions above. For a light wash, mix 1 part of Spotless to 50 parts of water before use.

Spotless:

Safe and effective vehicle wash.
